Shipment Schedule

Deliveries will be scheduled in a way to balance fairly the intake of medical and general academic collections from the various contributing libraries, taking into account the libraries’ readiness to send material and resource commitment in providing item record processing and shipping.

Shipment schedules will be arranged on a fiscal year, quarterly basis by the Director of JLF in coordination with the various contributing libraries, defined as the following:

March through May (2016) (No additional shipments are being accepted this quarter)
- March 1st, 2016 (10 pallets) Texas A&M University-College Station
- March 28th, 2016 (10 pallets) University of Texas - Austin
- April 11th, 2016 (10 pallets) Texas A&M University-College Station
- April 25th, 2016 (10 pallets) University of Texas - Austin
- May 2nd, 2016 (10 pallets) University of Texas – El Paso
- May 9th, 2016 (10 pallets) University of Texas – El Paso
- May 16th, 2016 (10 pallets) University of Texas - Austin
