

Shipment Schedule

Deliveries will be scheduled in a way to balance fairly the intake of medical and general academic collections from the various contributing libraries, considering the libraries' readiness to send material and resource commitment in providing item record processing and shipping.

Shipment schedules will be arranged on a fiscal year, quarterly basis by the Director of JLF in coordination with the various contributing libraries, defined as the following:

January 2024 through May 2024

- *January 4th 10 pallets Texas A&M University College Station sending to JLF Monographs
