

How to Create a PDF from an eBook

Some publishers only allow one reader to access an ebook at a time. Creating a PDF from sections of an ebook will allow you to read the book offline and free up the book for another user. Directions for both EBSCO and ProQuest ebook platforms.

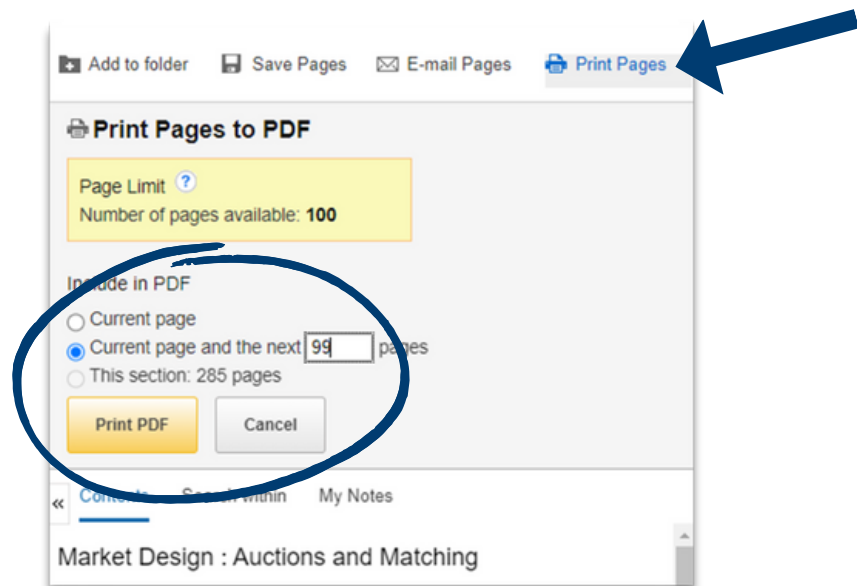

EBSCO

1 Check printing limits:

Locate the printing permissions on the landing page of the ebook. Print limits reset after 24 hours for each user.

2 Print to PDF

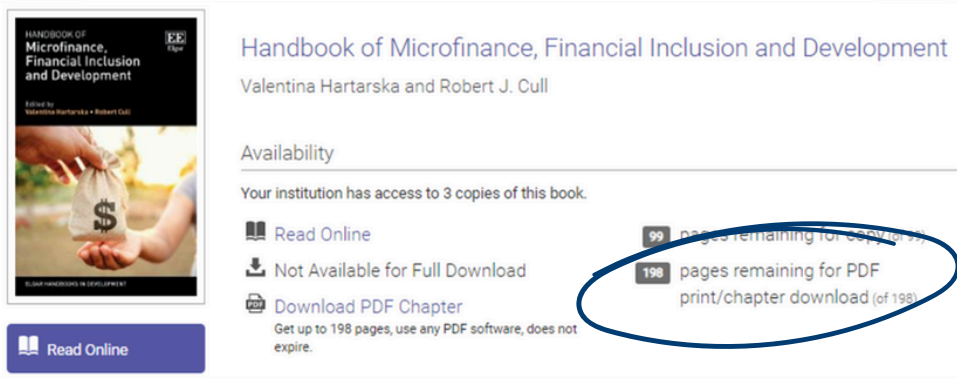

How to Create a PDF from an eBook

1 Check printing limits:

Locate the printing permissions on the landing page of the eBook. Print/download limits reset after 24 hours for each user.

2 Print to PDF

Click "Read Online" and you will see the print option in the navigation at the top of the page.
