You may submit a request to add a publication to your public profile page. Once approved, it will be displayed on your public profile page (as shown above) To do this, please follow the steps listed below.

The following types of publications are accepted: academic articles, conference papers, books, book chapters, repository documents, internet publications, reports, theses/dissertations, patents, software

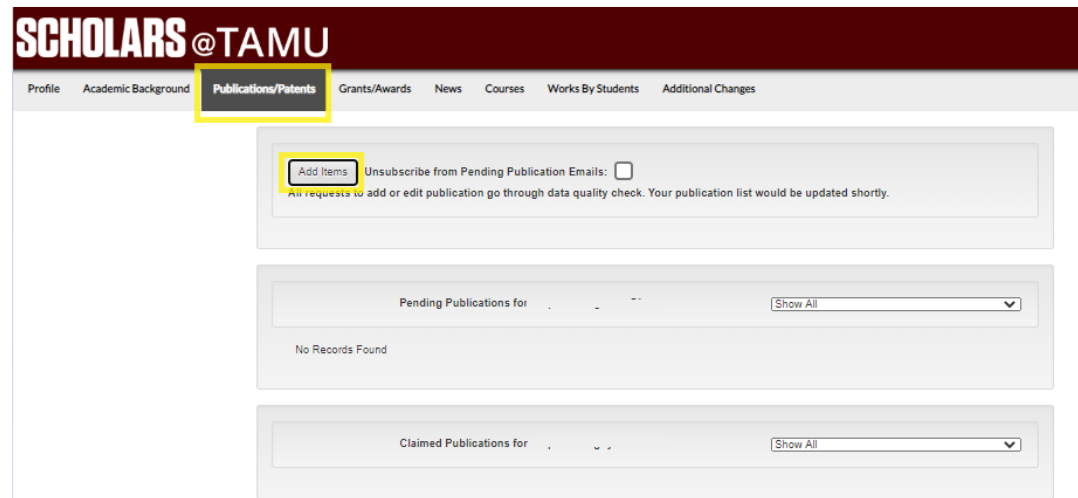

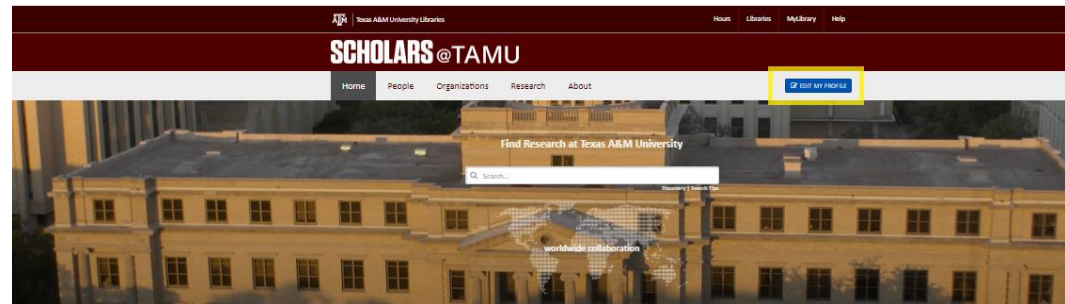

SCHOLARS@TAMU

Steps

1. Locate and click the “**EDIT MY PROFILE**” button to the right of the main tabs on the Scholars@TAMU homepage

2. Locate the **Publications/Patents** in the middle of the Scholars@TAMU main section bar. Click the **Add Item** button. A dialogue box to submit a request to add a publication should appear

Screen View

SCHOLARS@TAMU

3. If you have a publication with an identifier, select the [Add Publication with an identifier](#) button on the left. Otherwise, select the [Add Publication Citation](#) button on the right. A dialogue box for each option should appear after clicking the button.

Submit Request to Add Item ✕

Thank you for your participation to update your publication and improve its accuracy. Use one of the buttons below to let us know what we missed.

[Add Publication with an identifier
\(e.g., DOI, PMID\)](#) [Add Publication Citation
\(e.g., title, author\)](#)

4. For publications with an identifiers, you may submit a request using 1 of 4 different identifier types
 - a. for the **DOI** field, enter the full url for the doi.org link
 - b. for the **PubMed ID or PubMed Central ID** field, enter

either the 8-digit **PMID** or 10-character **PMCID**

[Nat Genet.](#) Author manuscript; available in PMC 2014 Jun 1.

Published in final edited form as:

[Nat Genet.](#) 2013 Dec; 45(12): 1439–1445.

Published online 2013 Nov 3. doi: [10.1038/ng.2822](#)

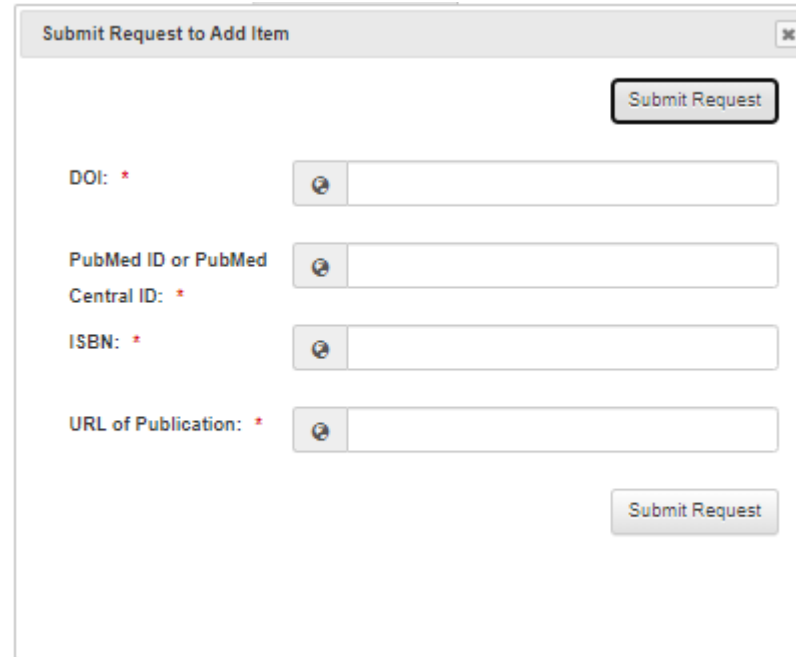

ESR1 ligand binding domain mutations in hormone-resis

- c. for the **ISBN** field, enter either a 10-digit ISBN or 13-digit ISBN

ISBN-13: 978-0123869814

ISBN-10: 0123869811

- d. for the **URL of Publication** field, enter the full url to the publication

5. For publications without identifiers, you may manually add details to submit a request for the following:

- a. for academic articles
 - i. for the **Title** field, enter the title of the publication
 - ii. for the **Author List** field, enter the list of authors on the publication
 - iii. for the **Journal Title field**, enter the full title of the journal
 - iv. for the **Year field**, enter the published year for the work
 - v. for the **Start Page** field, enter the starting page
 - vi. for the **End Page** field, enter the ending page
 - vii. for the **Volume** field, enter the volume number of the journal if applicable
 - viii. for the **Issue** field, enter the issue number if applicable
 - ix. for the **URL of Publication** field, enter the URL of the publication if applicable
 - x. for the **DOI** field, enter the DOI.org link if applicable
 - xi. for the **PII** (Publisher Item Identifier) field, enter an internal referenced used in the publishing process if available
 - xii. for the **PubMed ID or PubMed Central ID** field, enter either the 8-digit PMID or 10-character PMCID
