How to add a news article to your profile

You may add news articles to your public profile page (as shown above). To do this, please follow the steps listed below.
1. Locate and click the "EDIT MY PROFILE" button to the right of the main tabs on the Scholars@TAMU homepage.

2. Locate the News in the middle of the Scholars@TAMU main section bar. Click the Add News Article button. A dialogue box to add details about the news article should appear.
3. Fill out the Add News dialogue box
   a. Copy and Paste the exact title of the news article into the News Title text field
   b. Copy and paste the exact URL of the news article into the News URL text field
   c. Type in the publishing source of the article into the News Outlet text field
   d. Type in the publishing date of the news article into the Date text field in the following format: yyyy-mm-dd

4. After completing all fields in the Add News dialogue box, click the “Add News Item” button

5. A browser notification confirming that your news article has been added should appear. In addition, your entry should appear under the News tab
