Chaired Theses And Dissertations 

Gardiner, Nathan Thomas (2019-05). [Characterizing the Evolution Of Fire Induced Hydrophobicity In the Post-Fire And Evaluation Of Ash and Char as Potential Sources of Hydrophobicity](#). (Doctoral Dissertation)
 Open Access

Maulana, Ivan (2016-05). [Basin Geochemical Evolution of the Eagle Ford and Effects on Trace Element Release](#). (Master's Thesis)
 Open Access

McBee, Jayme M (2014-05). [Biogeochemistry of Isotopically-distinct Sources of Lead in a Former WWII Aerial](#)

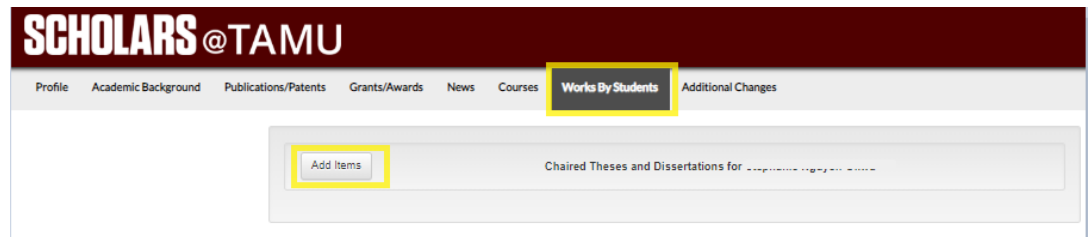

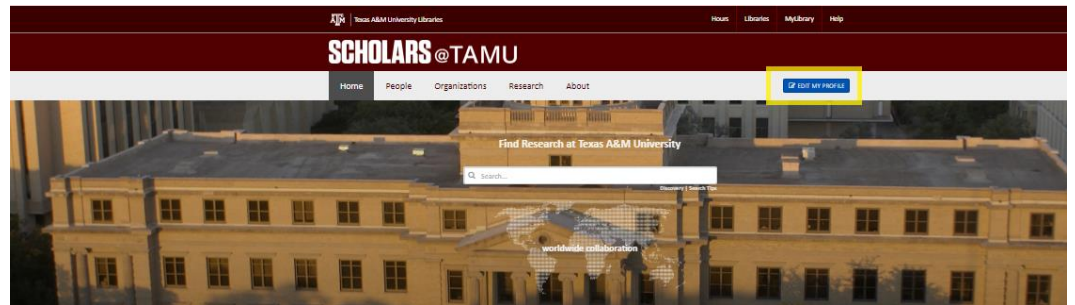

You may submit a request to add student works to your public profile page. Once approved, it will be displayed on your public profile page (as shown above) To do this, please follow the steps listed below.

SCHOLARS@TAMU

Steps

1. Locate and click the “**EDIT MY PROFILE**” button to the right of the main tabs on the Scholars@TAMU homepage
2. Locate the **Works by Students** in the middle of the Scholars@TAMU main section bar. Click the **Add Item** button. A dialogue box to submit a OAKTrust url for a student work should appear. Currently we only accept students’ theses or dissertations stored in [OAKTrust Institutional Repository](#).

Screen View

SCHOLARS@TAMU

3. For the **URL of Item** field, enter the OAKtrust url of the student work

Submit Request to Add Item ✕

URL of Item: *

 Example:
<http://oaktrust.library.tamu.edu/handle/1969.1/152231.2>

This section can be updated with the students' theses or dissertations stored in Texas A&M University Institutional Repository (OAKTrust)

Designated Collections:

- Digitized Theses and Dissertations (1922-2004)
- Electronic Theses, Dissertations, and Records of Study (2002-)
